

Pride in Turf Referral Program

Referral Credit Policy – Public Terms

- Referral rewards are issued as account credit only.
- Credits have no cash value and are non-transferable.
- Credit is issued after the referred customer completes their first paid service.
- If the referred customer cancels before completing their first paid service, no credit will be applied.
- If the referring customer cancels service, any unused referral credits will be forfeited.
- Credits cannot be redeemed or exchanged for cash under any circumstances.

Internal Office Policy (Operations Use)

- Referral credit is applied only after first invoice is paid.
- Office must verify referral source inside CRM before applying credit.
- Credit must be added using designated 'Referral Credit' service code.
- No manual cash payouts are permitted.
- If account cancels, all unused credits are immediately void.
- Credits may not be transferred between accounts without management approval.

How Clicki Works for You

- Generates a unique referral link for each customer.
 - Allows customers to log in and see their referral count and rewards.
 - Automatically updates referral statuses inside your CRM.
 - Tracks conversions in real time.
 - Sends automated messages about referral progress.
-
- No spreadsheets required.
 - Customers can view their own progress.

How to Set Up in Clicki

- Referral Links: Clicki creates a unique referral URL for each customer when they sign up. Store in CRM or send via text/email.
- Referral Progress Dashboard: Customers can log in to see referral status (pending, approved, rewarded). Dashboard can be branded with Pride in Turf colors and logo.
- Automated Notifications: Set up automated texts/emails when a new referral is submitted, converted, and when rewards are earned.

Clicki Reward Rules (Recommended)

- Referral counts only after the new lead schedules an appointment and completes sign-up with payment.
- Credits are automatically applied once referral goal is met.
- Automated message notifies customer when reward is issued.

Reporting & Tracking (Internal)

- View total referrals per customer.
- Monitor progress toward reward tiers.
- Export monthly referral performance reports.
- Identify top referrers.
- Run neighborhood leaderboards.
